Chief, POD

Attached are extracts of the IG report on Personnel which are pertinent to POD. Action responsibility on the recommendations in Part 3, POD, is yours. \*

We have asked C/PRD to be the key point for action on the recommendations in Part C on Personnel Processing Costs but to work with you.

We have asked C/PRD to take responsibility for 20a in Part D on the Assessment and Evaluation Staff and C/PRS to coordinate with all OP Divisions on 20b in Part D. (There is a DD/S deadline of 1 July on our comments on this one.)

We have also asked PRS to assume prime responsibility on Part B, Career Officer Trainee Program, however you are much involved in this one. We have a 1 Jul DD/S deadline on it also.

The report on BSD included a broad recommendation on the counseling function. At least initially, we are going to take responsibility in OD/Pers for this item but will be in touch with you regarding POD aspects...no copy of the BSD section is attached.

\* DDS deadline 15 Jul
